1. Purpose

The purpose of the Black Jack Enduro Championships (BJEC) is to develop and maintain a system of competitive enduros, primarily in Arkansas, Kansas, Missouri and Oklahoma, whereby a point accumulation process will determine awards for Overall Champion, Overall "A", Overall "B", Overall "C", Overall Senior Short, and awards for all BJEC classes. The season is a calendar year.

2. Organization

- 2.1. The organization of the Black Jack Enduro Championships will consist of the following officers: Chairman, Vice Chairman, Treasurer, Scoring Chairman, Contingency Officer, Webmaster, and Kids' Circuit Chairman. There shall also be two (2) representatives from each club sponsoring a circuit event that calendar year. These officers and representatives will comprise the Circuit Committee and will handle all circuit business for that year.
- 2.2. The rules that govern the BJEC shall be updated annually based on circuit needs. The rule changes will be approved by a majority of the Circuit Committee. Votes can be collected electronically or verbally and do not need to occur at official meetings.

3. Membership

- 3.1. Everyone is invited to become a member of the BJEC, however membership is not required to participate in a BJEC sanctioned event. Prospective members may sign up for the circuit using the BJEC website or on a race weekend. An annual BJEC membership costs \$20, or \$10 for women, youth age 15 and under, and seniors age 55 and over.

- 3.2. An annual BJEC Membership must be obtained before an event in order for the member to receive circuit points for that event. The membership will be good through the calendar year. No memberships will be accepted on the day of the event prior to start time for a Sunday enduro. In the event of a Saturday enduro, memberships MAY be accepted on event day before the race at the discretion of the Circuit Committee. Prior to race weekend, potential members should check with a member of the Circuit Committee to verify the availability of sign up on race day.
- 3.3. A one-day membership is available for anyone racing a BJEC co-sanctioned event. The fee is \$5. No circuit points or ratings will be available to those with only a one-day membership. The purpose of this rule is to aid host clubs in reducing sanctioning fees at co-sanctioned events.

4. *Meetings*

- 4.1. There will be an annual meeting of the Circuit Committee prior to the start of each season to formulate or revise any new rules or policies that are in the best interest of the BJEC. Election of officers for the coming season will also take place at this meeting.
- 4.2. A Circuit Committee meeting can be called by the Chairman or Vice Chairman exclusively, in written form only, to all officers and sponsoring clubs.
- 4.3. (70%) of the sponsoring clubs must be in attendance at a given meeting to constitute a quorum.

5. *Financial*

- 5.1. Sources of Funds - Expenses for the operation of the circuit shall be derived from an entry assessment for each entry at each affiliate's event, individual membership dues, and from other donations and contributions that may be realized.

 - 5.1.3. Individuals - An annual BJEC membership costs \$20, or \$10 for women, youth age 15 and under, and seniors age 55 and over.
- 5.2. Event Assessments
 - 5.2.1. An assessment of \$5.00 for each entry in each affiliate's enduro, including non-BJEC members, will be included in the sponsoring club's entry fee. If the event is co-sanctioned, this assessment will not apply to entrants that are members of the co-sanctioning organization. The sponsoring club is to act in the best interest of the BJEC to forward the collected assessments to the Circuit Treasurer as soon as is possible after event completion. Failure to submit the assessments within two (2) calendar weeks following

the event will result in forfeiture of all work scores for persons working that event and may be grounds for voting the event out of the BJEC.

- 5.2.2. An assessment of \$2.00 for each entry will be included in the sponsoring club's entry fee to be paid to the Scoring Chairman for distribution to the Event Scorekeepers. The Scoring Chairman will be responsible for collecting this assessment from the sponsoring club and distributing it fairly to the individual Event Scorekeepers.
- 5.2.3. Pro Payout will be 80% per event, the remaining 20% will be added up for a year end purse for the top 3 pros who qualify for year-end awards.

5.3. Use of Funds

- 5.3.1. All revenue derived shall be expended for the operation of the circuit.
- 5.3.2. There will be no wages, salaries, nor any form of remuneration paid to any person for any duties. (Exceptions see 5.3.3 and 5.3.4.)

- 5.4. Financial Report - The Treasurer will provide a complete financial report at the BJEC annual meeting.

6. Championship Recognition

- 6.1. Awards - At the end of each season's circuit enduros, the points shall be tallied to determine overall class placements. An annual Awards Banquet shall be held to recognize and award prizes and trophies to the winners. The location and date of the Awards Banquet will be as near as practical to the start of the racing season.
- 6.2. Eligibility - Each person who competes and/or works in at least 70% of the Championship Division races, or 80% of a Regional Division will be eligible for a year-end award. A rider who starts an event will be considered to have competed in the event for the purposes of determining minimum number of races to qualify for a year-end award.

8. *Hosting a BJEC Event*

- 8.1. Any club wishing to sponsor an event in the BJEC must be represented at the BJEC Annual Meeting. Any club not in attendance must notify the BJEC Chairman, in advance of the meeting, and provide justifiable reason for non-attendance. The BJEC Chairman may allow representation by written proxy so long as it is received prior to the meeting. Any club not represented will not be included in that season's schedule. The schedule will be set at the annual meeting and no additions will be made after that date.
- 8.2. Co-Sanctioned Event - It will be up to the sponsoring club if they wish for their event to be co-sanctioned with another enduro circuit. At a co-sanctioned event, any differences between the co-sanctioning circuit's rules and the BJEC's rules must be posted. At a co-sanctioned event, all BJEC specific classes must be honored.
- 8.3. Event Removal from BJEC Sanctioning - Upon written notice to the Circuit Chairman by a club representative of disfavor with a particular event, the Circuit Committee will decide, at the Annual Meeting, the future of that event. If the Circuit Committee for any reason votes an enduro out of the circuit, re-entry into the BJEC schedule will require the vote of the Circuit Committee.
- 8.4. New Clubs - A new club desiring to schedule an event in the BJEC must be sponsored by a BJEC club representative. A BJEC club representative, the BJEC Chairman, or his appointee, must have ridden an event sponsored by the new club before their event can be considered for admittance into the BJEC schedule.

This new club must also be in attendance at the Annual Meeting.

- 8.5.** Race dates - Current circuit clubs will have preference of event dates over new clubs applying for circuit enduro dates. It is recommended that there be at least two (2) weeks between events.
- 8.6.** Awards
- 8.6.1.** The minimum number of trophies awarded in the classes will be determined by the number of pre-entries in each class at the rate of twenty percent (20%) plus one up to tenth place. The following shall apply as Minimum guidelines:
- 1-5 Riders - 1 trophy
 - 6-10 Riders - 2 trophies
 - 11-15 Riders - 3 trophies

- 8.6.2.** It is mandatory that all BJEC events recognize and award:
- Overall Event Winner
 - Overall "A" Winner
 - Overall "B" Winner
 - Overall Senior Short Winner
 - Overall "C" Winner
- 8.7.** Flyers - Flyers for the sponsoring clubs event should be made available at least four (4) weeks in advance.
- 8.8.** Row Request - Any BJEC member may request any specific row for himself and any additional BJEC members. If the requested row is not available, the next available row will be assigned. Pre-entry postmark will be used for priority of row assignments.
- 8.9.** Extra Short Course Start Rows – Extra Short Course riders should start last regardless of row request. In the event the last rows are full, the hosting club may add rows to accommodate Extra Short Course riders.
- 8.10.** Route Sheet - A route sheet per AMA will be required, with all Known Controls, Speed Changes, Resets, Pauses, and Gas Stops/Availables identified by mileage.
- 8.11.** Pre-Race Riding
- 8.11.1.** There will be no riding at enduro headquarters or campgrounds by anyone except in the designated warm-up area. This rule will be strictly enforced for the comfort and safety of other people.
- 8.11.2.** Under the penalty of disqualification, no riders, other than those of the host club or organization, may ride the enduro course prior to the start of the event until their designated start time the day the event is scheduled. Participation in a scheduled event on Saturday that uses part of, or all of the enduro course to be used on Sunday is not grounds for disqualification.
- 8.12.** Quiet Hours - There will be QUIET HOURS in all BJEC campgrounds from 10:00 P.M. until 6:00 A.M. NO BIKE SHOULD BE STARTED OR RIDDEN DURING THIS TIME PERIOD. Loud and offensive behavior on the part of the campers, foul and/or unsportsmanlike conduct at any point

could result in the disqualification from that event and any future BJEC events.

- 8.13.** Littering - The BJEC prohibits members from littering the campgrounds or any properties that are crossed before, during, and after any event.
- 8.14.** Course Length - It is recommended that the super short course be approximately 20 miles in length, the short course be approximately 50 miles in length, and the long course be a minimum of 70 miles.
- 8.15.** Course marking
 - 8.15.1.** Trail markings will be arrows a minimum of 4" by 6" in size. Surveyor's tape may be used in tight sections and to supplement the arrows. The color of course arrows and other markings should be highly visible in the conditions they will be used in.
 - 8.15.2.** The only markers to be visible to the rider shall be those markers that constitute part of the enduro course being ridden in the enduro.
 - 8.15.3.** Loop enduros must have progressive mileage. Mileage numbers must be a minimum of 2" tall. Mileage markers are mandatory every mile.
 - 8.15.4.** Keytime Markings - At each mile marker, reset, pause, and known control, key time for the mileage is to be displayed.
- 8.16.** Sponsoring clubs will be entitled to initiate whatever action appropriate to collect entry fees (checks) which cannot be processed as a result of insufficient funds, etc. No BJEC competitor will be included in overall or class scoring for that year if any checks are outstanding. Sponsoring clubs should notify the Circuit Chairman if this situation exists.

9. Sound Testing

- 9.1.** Sound Test Recommended - It is up to the race promoting club whether they do sound test or not. It is not required by BJEC. However, it is strongly recommended.

10. Event Scoring

- 10.1.** The AMA Enduro Rules apply except as modified by BJEC Rules. AMA Enduro Rules take precedence over BJEC Rules only in AMA sanctioned enduros that are also scored by the BJEC.
- 10.2.** BJEC events will utilize the Start Control/Restart format. A restart format allows riders to ride into a check, wait for their number to flip, be scored and then motor on. Restart formats also use "transfer sections" to get riders from one "points taking" section to another. These are essentially "free time" sections in which there cannot be a check.
- 10.3.** All check "outs" in a specific test will be scored as emergency or tie-breaker checks with minutes and seconds recorded.
- 10.4.** Event Results

- 10.4.1.** Enduro results will be posted thirty (30) minutes prior to the trophy award presentation to allow proper time for protest and/or questions. The results will be final after thirty (30) minutes have elapsed from the time the results are posted.
- 10.4.2.** All scorecards for every class shall be posted and visible to all riders.
- 10.4.3.** No circuit points shall be awarded to any rider at any circuit event which is disallowed by the Circuit Committee.
- 10.5.** Losing a scorecard - When a rider carries his own score card and loses it, 10% of points lost will be assessed with a minimum of one point and added to the rider's score; any fractional points will be rounded up to the next highest whole number. The affected rider must be scored from the back-up sheets upon his request to the referee.
- 10.6.** Backup sheet verification - Trophy winners need not be checked against the backup sheets. Backup sheets will be used in case of a protest only, in which case the event referee will make the ruling on any discrepancy.
- 10.7.** The BJEC Scoring Chairman will provide the sponsoring club with a means of scoring each event. The scoring information shall be submitted to the Scoring Chairman within seven (7) days after the event. All work scores for that event will be forfeited if the results have not been forwarded to the Scoring Chairman by this time.
- 10.8.** Special Appeals - If the decision of the event referee is not satisfactory, the protesting party may make a special appeal. Such an appeal must be in writing and filed with the Circuit Chairman within one (1) calendar week after such decision has been made. A special appeal shall be heard by the BJEC officers. They will respond in writing, within thirty days. That decision will be final.
- 10.9.** Disqualification - Disqualification of a rider will be up to officials of the host club or organization, however, each person in any BJEC club will be responsible for helping enforce regulations even when in another club's campground.

11. Circuit Scoring

- 11.1.** In order to be scored by the BJEC, a rider must be a paid BJEC Member prior to the event.
- 11.2.** Any rider who reaches the first timed check point (excluding Start Check) on the course within their hour will be eligible for and receive circuit points according to his/her placement.
- 11.3.** BJEC members will be scored separate from non-BJEC members for class points and overall points at all BJEC events. The scoring system will be as follows:

11.4. All long course AA/PRO ,A and A Senior classes will be included in the Overall.

11.5. Work Bonus/Averages

11.5.1. Work Bonus - All participating BJEC members (must be a BJEC member at the date of the event, all members are eligible) who work promoting club events will receive first place overall points and first place class points for working at that club's event.

11.5.2. Work Average - At the discretion of the Circuit Committee and in the Championship Division only, there can be a second work average of a BJEC member's (must be a member at the date of the event, all members are eligible) best three scores if that BJEC member works an event in addition to his bonus points paying event. Scoring for this work average will be as follows: the best 3 scores from the season events in which the rider scored points shall be totaled and divided by 3, rounded to the nearest whole

number. The bonus points will not be used in this calculation. The work average points and bonus points will be counted in a rider's total events. A rider can only receive bonus points from 1 promoting club and can only receive 1 work average. If there are less than 10 races in the season a rider can receive only 1 work average for the season.

- 11.5.3.** It will be up to the promoting club's president and referee to determine which members receive work averages.
- 11.5.4.** Workers of an event that is voted out of the circuit for whatever reason will still receive their work bonus/average.
- 11.6.** Ties - If any overall or class standings have a tie at the end of the year, it will be broken by who has the most first place points. If a tie still exists, it will be broken by who has the most second, third, etc., place points until the tie is broken. Should the tie not be broken after all of the races have been taken into account, drops will not be counted, the tie will be broken by the better score from the last race both riders competed in.

12. Rider Advancement

A rider advancement system will be used based on the following:

- 12.1.** Both BJEC members and non-BJEC members will be counted for the purpose of calculating advancement percentiles at all BJEC events. Non-BJEC members will be advanced just like BJEC members (members of other co-sanctioning circuits will be advanced according to the rules of the other circuit)
- 12.2.** Advancement Sets - There will be three sets of advancement percentiles calculated, one for all long course riders, a second for all "C" class riders (excluding C Senior classes), and a third for A Masters, B Masters, and C Senior classes. A percentile will be calculated for each rider, at each race. At the end of the season, the top 70% of the rider's percentiles will be averaged, and this will be the rider's advancement percentile for the season.
- 12.3.** Event Percentiles - Advancement percentiles for each event will be calculated in the following manner: The percentile calculation will be based on the rider's finish placement compared to all other riders in their advancement set (not on their score). Riders must make it to the first check without houring out to be counted in the advancement percentile. Example: Joe raced the "A" class and finished 15th out of all AA, A, and B riders. There were a total of 85 riders in the AA, A, and B classes. 5 of those did not make it to the first check, leaving 80 riders to be included in the percentile calculations. The percentile can now be calculated as: $[(\text{Last Place} - \text{Rider Place} + 1) / \text{Last Place}] \times 100$, or $[(80 - 15 + 1) / 80] \times 100$, which is equal to 82.5 and is rounded down to 82.
- 12.4.** Season Percentiles - Advancement percentiles for the year will be calculated in the following manner: At least 70% of the

rider's advancement percentiles for each event will be used to calculate the season end advancement percentile. These top 70% of the races are averaged, and rounded down to get the season end advancement percentile. The following table summarizes how many races will count toward the rider's season end advancement percentile:

Events Raced	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
Events Counted	1	2	3	3	4	5	5	6	7	7	8	9	10	10	11

- 12.4.1.** Example - Joe raced 5 races and received advancement percentiles of 82, 91, 78, 63, and 32. The top 4 races will be counted toward the season end advancement percentile. The 32 gets dropped, and 82, 91, 78, and 63 are counted, resulting in an average of 78.5, which is rounded down to 78.
- 12.4.2.** Advancement Cut-off points: Riders will be advanced to a faster class when their season end advancement percentile is greater than or equal to the cutoff for that class. The following table summarizes the cut-off points:

PRO /A/B Classes		C Classes		Senior Short Classes	
PRO	85-100	Advanced	90-100	A Masters	80-100
A	50-84	C Classes	0-89	B Masters	55-79
B	0-49			C 40+, 45+ Super Masters 50+ A Super Masters 50+ B Super Masters 50+ C	0-54 85-100 60-84 0-59

- 12.5.** Once a rider is advanced to a faster class, they must remain there for AT LEAST two racing seasons. If the rider 'points out', or has season end advancement percentiles below the cut-off for the class they are in TWO seasons in a row, then the rider may move back down.
- 12.6.** A rider has the right to petition the circuit committee concerning their advancement, and state the reasons why they should not be advanced. The circuit committee will review and vote on any requests and provide a response to the rider within 2 weeks. The circuit recognizes that no advancement system is perfect, hence, the right to petition is granted.
- 12.7.** Work bonuses/averages will not count toward advancement percentiles.
- 12.8.** Women, Junior, and Youth Classes will not advance.
